2023 Yearbook Committee

Dear Students, Staff and Community Members,

As the new Head of School in the 2022-2023 academic year, I am incredibly honored to be a part of the Saltus community. It is with great pleasure that I extend my heartfelt gratitude to all the students and staff for their unwavering dedication in bringing this remarkable yearbook to life.

The theme of this year's yearbook, "community," captures the very essence of who we are. We are not merely a collection of individuals; we are a family—a close-knit group of diverse talents, passions, and dreams. Our community is built on the foundation of mutual respect, kindness, and support for one another, and it is this strong bond that has allowed us to thrive and grow.

Each page of this yearbook is a testament to the countless memories, achievements, and milestones we have collectively accomplished. From community building events to thought-provoking classroom discussions, from breathtaking performances to victorious sports moments, it is the diverse tapestry of experiences that has shaped our shared journey.

Throughout the year, we have witnessed countless acts of kindness and compassion, whether it was helping a fellow classmate through a challenging assignment, cheering on our athletes on the playing field, applauding performers on the stage, or organizing events that brought joy and laughter to all. We have come together to celebrate our successes, lift each other up during difficult times, and create memories that will forever be etched in our hearts.

I want to express my deepest appreciation to the yearbook committee, photographers, writers, and all those who poured their creativity and dedication into capturing the essence of our community. Your hard work and attention to detail have ensured that these cherished memories will be preserved for years to come.

To the students, you are the heart and soul of our community. Your unique talents, aspirations, and contributions make our school a vibrant and dynamic place to learn. I encourage you to continue embracing the spirit of unity and empathy, both within our school walls and beyond. You have the power to shape a brighter future, and I have no doubt that you will go on to achieve remarkable things.

To the staff, your unwavering commitment to our students' growth and well-being is truly remarkable. Your dedication, passion, and expertise have played a pivotal role in shaping the lives of our students. Your tireless efforts to create a nurturing and inclusive environment is truly evident and I am grateful for your ongoing support.

As we turn the pages of this yearbook, let us celebrate the power of community and the collective accomplishments we have achieved. May it serve as a reminder of the bonds we have formed, the lessons we have learned, and the friendships that will endure.

Thank you once again to everyone who contributed to the creation of this yearbook. Your efforts have truly made a difference in capturing the essence of our special Saltus community.

With warm regards,

Julie Rousseau

Message to the Graduates

Many of you may feel the same as I felt exactly one year ago, overwhelmed, and trying to fathom how has this sentimental time come already. I know it may be hard to believe that you are now on the cusp of becoming Saltus Grammar School alums. After all, most of you have spent half of your lives as knights walking these halls, creating memories, and learning life lessons that will resonate with you for your lifetime. Be proud of this monumental moment, take photos, and cherish these memories, these are moments that cannot be replicated. As you embark on your new chapter of life, be risk-takers and challenge yourselves. Do not feel obligated to follow the path that others expect you to pursue, let your passion decide your destiny.

Once again, continue to strive for excellence, and welcome to the Alumni family.

MARTINA BIANCA SMITH

Martina Bianca Smith passed away in March of 2023. She was the beloved daughter of Judith A Smith and the late Louis E St C Smith of Pembroke Parish in her 42nd year.

Martina graduated from Saltus Grammar School in 1999. In September of 2014, she returned to Saltus to work as the After School Programme Leader. Martina was well-loved and well-respected in her role. Students loved the creative arts and craft program she offered. According to her students, she always had something new for them to do, that was connected to a theme. Students expressed joy at being able to take something home to their parents.

Colleagues described Martina as kind, helpful, wise, techie, and super cool.

Martina will be missed by the Saltus Family.

Martina Smith

2L. We have had such a wonderful year together. You've been kind, inquisitive, passionate, expressive and lots and lots of fun. There are so many lovely memories like our morning meeting games (spider web anyone?), our trips (Verdmont, the National Gallery, the Railway trail and the UP), our wonderful conversation (What do you think? What makes you say that?) and the cool events (summer splash, the disco, building our huge earth, weaving and sewing together) and of course our fish (Evil Piggy, Gemstone, Fin, Shiny and Dave). What a great year! 2L is the best

Saltus Kitchen Garden

This year, various students, staff and classes learned about growing vegetables in the school garden. The soil has been gradually improving and the harvests have been getting better too! Successful crops this year have been: potatoes, carrots, beans, onions, beets, lettuce, chili peppers and herbs. Come along and learn how to grow your own food!

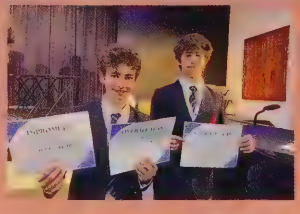
Public Speaking & Debating

Saltus middle school students competed in the 13th annual Bermuda Public Speaking and Debating Spring Tournament which was this year hosted by BHS. This was a three-day competition that saw students competing in the public speaking portion of the tournament on Thursday and Friday evening and then going through 3 rounds of debate on the Saturday. For those students who participated in both sections of the competition this was certainly a full schedule!



Our Public Speaking Middle School Team, comprised of: Callie Lucas, Noah Maranzana and Christopher Madeiros. This team placed third overall with Callie placing 2nd and Christopher placing third in the Impromptu Speaking category while Noah placed second in the Interpretative Reading. These were tough categories, and the students should be proud of their accomplishments. Both Callie and Christopher also made it into the top 5 for individual rankings, placing 4th and 5th respectively. This was the first in person public speaking competition that Bermuda has hosted in 3 years, and we are incredibly proud of our Saltus students!

Saltus Takes New York

Twenty-seven students from visual arts, drama, music, film, and media traveled to New York City in February for a fun filled week of Creative Arts in action. This exciting trip included a hotel stay by Times Square along with a range of New York style events, meals and activities. Students took part in an acting techniques workshop at the prestigious Stella Adler Studio of Acting, they engaged in the immersive art museum experiences of Wonderland Dreams, Arcadia Earth and Artechouse; allowing creativity to flow through them by painting 3D spaces at Shot of Art, and seeing professional productions On and Off Broadway and at the oldest jazz club in New York City, Vanguard Jazz Orchestra. School trips like these are essential in developing well-rounded young people. During these trips students learn invaluable life skills that cannot be taught solely through textbooks, but rather through the rich and diverse experiences that school trips offer". Saltus is committed to preparing our students for the world and field trips is an essential part of that formula.

It also served as a fun and engaging team building opportunity for Advisors and students.
